

Commonly asked questions about your breast biopsy:

- *What type of biopsy do you recommend? Why?*
- *Where will you do the biopsy?*
- *Will there be a hole there? Will it leave a scar?*
- *What exactly will you do?*
- *How long will the biopsy take?*
- *Will I be awake or asleep during the biopsy?*
- *Will there be stitches?*
- *Can I drive home afterward or will I need someone to drive me?*
- *When can I take a shower?*
- *When can I go back to work? Will I be tired?*
- *Will my activities be limited?*
- *How soon will I know the results?*
- *Will you or someone else explain the biopsy results to me?*

Notes:
