INTRODUCTION

Thank you for choosing to participate in HealthFirst, the Saint Francis Health System Preferred Provider Organization.

HealthFirst is a hospital and physician network utilizing Saint Francis Hospital, Laureate Psychiatric Clinic & Hospital, Saint Francis Hospital South, and many of the physicians on their respective Medical Staffs.

Preferred Provider Organizations were developed to help control the increasing cost of health care. Through PPOs, employers direct their employees to certain physicians and hospitals in exchange for negotiated rates. By using the preferred physicians listed in this book, you can enjoy the benefits of quality care at reasonable rates, with fewer out-of-pocket expenses.

USING THIS DIRECTORY

This directory provides you with an up-to-date listing of participating physicians and hospitals. Changes to this list are made on a periodic basis. Answers to questions concerning participation status of a particular provider can be obtained from HealthFirst PPO at (918) 502-8351. Information regarding Warren Clinic physicians may be obtained by calling the Warren Clinic physician referral line at (918) 488-6688.

McAlester, Stillwater and Vinita employees: In addition to HealthFirst providers, employees in these cities also have access to Preferred Community Choice providers. Access is limited to PCC providers within your employment city.

Tulsa area employees have access only to HealthFirst providers listed in this directory in the Tulsa metropolitan area. If services are necessary outside of the Tulsa employment area, Tulsa employees may seek services with a Warren Clinic provider at in network benefits.

Providers in the specialties of Oral and Maxillofacial Surgery, Orthodontics and Pediatric Dentistry are to be used for emergency care or in the cases of trauma to the mouth. Check your dental plan for providers of routine dental care.

This directory reflects participating providers in HealthFirst as of April 1, 2011. Since providers are periodically added to or deleted from the program, ***WE RECOMMEND YOU VERIFY THAT LISTED PROVIDERS ARE HEALTHFIRST PARTICIPANTS WHEN YOU SEEK TO USE THEIR SERVICES.***

For updated provider listings, the provider directory may be accessed via the Internet at www.saintfrancis.com under "Patient Information". The directory is located under "Find a HealthFirst PPO Provider".

USING INPATIENT AND OUTPATIENT HOSPITAL SERVICES

The identification card provided by your employer or insurer contains financial information necessary for quick and accurate admission to the hospital. Be sure to have it with you when you come to the hospital. The card will also indicate whether prior authorization is required.

Should your physician order outpatient services from one of the following hospital departments, your hospital deductible may apply rather than the office co-pay.

Ambulatory Surgery Center
Biofeedback Therapy
Breast Center
Diagnostic Imaging Center
