Patient Information

Before Your Bone Marrow Harvest -
Blood and Marrow Transplantation Program

One week before surgery:
For 7 (seven) days before your surgery, do not take any medicines that contain aspirin.

One day before surgery:
After 1:00 p.m. the day before surgery, you will be notified of the time for you to be at the hospital. If your surgery is scheduled for Monday or the day after a holiday, you will be notified the afternoon before the weekend or holiday.

On the day of your surgery:
Do not take your usual medicines unless the anesthesiologist has told you to take them.

Please leave hair accessories, jewelry, medicines, and other valuables at home.

Wear loose-fitting, such as sweat pants or drawstring pants.

When you arrive the morning of surgery, please park in Southwest Parking Garage (see map).

Enter through the (Red) South entrance. Check in at Surgery Admit.

If you have any questions, please call the Blood and Marrow Transplantation Clinical Coordinator at (918) 494-4475.
