## ADDITIONAL INFORMATION

- The membership fee is a one-time cost upon joining. This fee includes our InBody Body Composition analysis test, which includes weight, body fat, BMI, segmental fat analysis, intra and extra cellular water readings and a results consultation with our staff. A fitness consultation with one of our fitness professionals is also included.
- Family membership includes up to five family members. It can include a combination of adult, youth or child. Not to exceed two adults.
- Youth members are between the ages of 12 and 21 and have full access to all Health Zone programming.
- Family membership includes access to the Kids Zone Activity Center for children ages six weeks to 11 years old.
- Posted rates with payroll deduction or electronic transfer using a checking account or credit card. Payroll deduction is available for employees.

*For more information about membership options, please call 918-494-1671.*
