SUBJECT: TEXTBOOKS PURCHASE

PURPOSE:

To inform students of their responsibility to obtain required textbooks of the program.

POLICY:

1. A list of required textbooks will be sent to the student upon acceptance into the program.
2. Each student will be responsible for obtaining the required textbooks before the first day of each corresponding class.
3. Students may obtain textbooks from book stores, publishers' websites, other websites, or from previous students.
4. Each student will retain the book for the duration of the program.

REQUIRED TEXTBOOKS:
